Although only one year has elapsed since its introduction into this country, the demand is enormous, and constantly increasing. Our arrangements are such as to ensure the quality of the Wine being maintained at its present high standard. The Prince Imperial is imported solely by us, we being the sole Agents of Messrs. hose illuminated views is most remarkable.
EVERY GENTLEMAN OF WEALTH AND REFINED TASTS EVERY GENTIEMAN OF WEALTH AND REFINED TASTE should have in his drawing room some of our exquisite views on glass, with a revolving stereoscope, showing 12, 25, 50 or 100 scenes. Nothing can be more fascinating, and one can offer no greater treat to a friend fond of the picturesque and the beautiful. Anthony's Instantaneous Stereoscope Views are the latest Photographic wonder. They are taken in the fortieth part of a second, and everything no matter hose rapidly imay be meeing, is depicted as sharply and distinctly as if it had been perfectly at rest. This gives an additional value, for to the beauties of inanimate nature ut adds the charm of life and motion. The process is a discovery of our own, and being unknown in Europe, e we receive from London and Paris large orders for Anthony's Instantaneous Views of American life and scenery.

Among other things we have just published Stereoscopic Illustrations of the Scene of the Fulton Streets Prayers Meetings, in which many hearts feel an interest.
